And, yes, the title should be NIC Foundation finalizes purchase, not NIC.

Thank you, John & Stacy. If you feel it necessary to state that Mountain West Bank is the lender, then please add that a competitive bid process was used to select the lender. Perhaps something like...

The NIC Foundation, an independent nonprofit organization, secured financing for the purchase of the 17-acre parcel located to the north of NIC's main Coeur d'Alene campus, the former site of the DeArmond Mill owned by Stimson Lumber Company. A competitive bid process was used to secure financing, which Mountain West Bank was chosen to provide.

For your review. We mentioned the financing by Mountain West just so folks know we did it locally. If you are not comfortable with that much detail we will certainly change it.

John
