Dear Mr. McCrory:

North Idaho College has received your public records request dated August 25, 2009. You have requested to examine and copy documentation identified by you as follows:

1. The bid solicitation sent to prospective bidders in the competitive bid process used to secure financing (for the purchase of the former DeArmond Mill site).
2. A list of all the prospective bidders to whom the bid solicitation was sent.
3. A list of all bidders who submitted bids.

Pursuant to Idaho Code § 9-338 *et seq.* North Idaho College has reviewed its records and is unable to locate any public records responsive to this request. As you may be aware, North Idaho College is not the purchaser of the former DeArmond Mill Site, and the financing was secured by the NIC Foundation, a private 501(c)(3) corporate entity. This response is not a denial of your request because North Idaho College does not maintain the requested records.

Thank you for your inquiry.

Sincerely,

John Martin
Vice President for Community Relations & Marketing
