JIM BRANNON, Plaintiff,	:
	:
VS.	:
CITY OF COEUR D'ALENE, IDAHO, a municipal corporation, et.al. Defendants.	:
	_:
STATE OF IDAHO)	

SS.

William L. McCrory, being first duly sworn upon oath hereby states as follows:

- 1. I am over the age of 18, competent to testify, make this statement of my own volition without compulsion, and that it is made upon personal information to which I will testify if called to testify in this matter.
- 2. On June 22, 2010 I was present when Eugene A. Marano counted the absentee ballots and the absentee ballot return envelopes at the Kootenai County Elections Office. After Mr. Marano had finished his counting I, along with Jim Brannon and Starr Kelso in the presence of a representative of Kootenai County, examined some of the absentee ballot return envelopes that Mr. Marano had counted. When we finished our examination on June 22, 2020 the absentee ballot return envelopes were placed in a large plastic tub and sealed by a representative of Kootenai County. I photographed the seals.

- 3. On July 7, 2010 I went to the Kootenai County Elections Office where I was escorted to a designated room. In my presence a representative of Kootenai County Elections Office unsealed the large plastic tub containing the absentee ballot return envelopes. I photographed the seals that were on the tub. I then proceeded, from approximately 10:10 a.m. through approximately 5:15 p.m., to examine the absentee ballot return envelopes from the sealed plastic tub.
- 4. That I have read, and understand, the requirements set forth in Idaho Code sections 50-446 and 50-447 in effect at the time of the 2009 City of Coeur d'Alene General Election.
- 5. During my July 7, 2010 examination of the absentee ballot return envelopes I identified Eight Hundred Seventy Seven (877) absentee ballot return envelopes with anomalies reflecting that they did not comply with Idaho Code sections 50-446 and 50-447 and/or had some other types of anomalies such as a "whited out" signature.
- 6. A true and correct copy of my report documenting the results of my examination and observance of anomalies on July 7, 2010 is attached hereto as Exhibit A.
- 7. Examples of absentee ballot return envelopes that did not have an executed affidavit by the elector are attached hereto as Exhibit B.
- 8. Examples of absentee ballot return envelopes that did not have the date and hour of receipt written or stamped thereon are attached hereto as Exhibit C.
- 9. Examples of absentee ballot return envelopes that only had the date of receipt written or stamped thereon are attached hereto as Exhibit D.
- 10. Examples of absentee ballot return envelopes that were signed by someone other than the elector to whom the absentee ballot return envelope was issued are attached hereto as Exhibit E.
- 11. Examples of absentee ballot return envelopes that had some other readily observable anomaly are attached hereto as Exhibit F.

FURTHER AFFIANT SAYETH NOT.

DATED this 97H day of July, 2010.

William L. McCrory
