Petition Signature Verification Update #4

This afternoon Kootenai County Clerk Cliff Hayes announced further progress on signature verifications for the Coeur d'Alene Recall petitions. "We've completed verification and checking on approximately 98% of the petitions. The cumulative reject rate is now running approximately 24% for the three Council members and for the Mayor," Hayes said.

"We will finish the verifications on Monday and forward them to the City of Coeur d'Alene on Tuesday," Hayes concluded.
