RE: Jim Brannon v. City of Coeur d'Alene, et al.  
Kootenai Case No. CV-09-10010

Dear Mr. Kelso:

Attached hereto is the response of Dan English, Clerk/Auditor, to the informal records request which was incorporated into your correspondence dated April 29, 2010. Mr. English did perform a personal review of his records, including e-mails, and believes that the information provided is a complete disclosure of all information responsive to your request. This information is being provided to you at no charge.

Additionally, Mr. English reviewed the computer of former county employee, Deedie Beard. As Ms. Beard is no longer employed with Kootenai County, the computer utilized by Ms. Beard had been cleaned and her e-mails were therefore not available. It is the belief of Mr. English that he has provided you copies of the e-mails pertaining to Ms. Beard through his e-mail system. However, if you desire, the County would accommodate a request by you for a more thorough search to be performed by our Information Systems Department at a cost as yet undetermined.

Yours very truly,

  
John A. Cafferty
