Dear Mr. McCrory,

Per your request for public records dated 4-27-14 and received via email on 4-28-14.

I have attached the notice that was posted on February 21, 2014. This is a notice provided to the public that three or more Board Members would be attending an event in Boise along with Board members from school districts from across the State. This event is sponsored annually by the Idaho School Boards Association. Representatives from Coeur d'Alene have attended for a number of years.

A similar event took place in November where hundreds of school board trustees attended a convention (also sponsored by Idaho School Boards Association). Again, a notice to the public was posted. Other events where more than two Board members may be present as observers and/or invited guests may include school district events such as graduations, open-houses, banquets, school assemblies, etc. As previously stated, public notice is provided; no business is conducted while in attendance at these types of events/meetings.

Board members traveled to Boise on February 24-25. No meeting was held therefore no minutes exist.

This completes your request for public records.

Thank you.

Sincerely,

A handwritten signature in cursive script that reads "L. Towne".
