Good deal Kiki. The LCDC Board meeting on the 15th will start at 4:00 in the library community room. Please send me the board packet when ready. TB

It does! Thanks so much for your input. I've made good progress since we talked. Candace Godwin, a NIFG board member, will be delivering the presentation to your Board on the 15th. Please forward me time and any other details regarding that she needs to know. I'll assure she's prepared and diligent. Board packet forthcoming. Thanks again, Kiki

Kiki – your request for a NIFG visit with the LCDC Board on October 15th is a go. Attached are my edits to your “community benefits” section of your handout package, tailoring it a bit to an LCDC audience. If you concur with the edits, please send a clean version of that page to me so that I can send your 3 page packet to the LCDC Board prior to Carrie’s visit on the 15th. Sound like a plan? TB

EDUCATION INFORMATION CENTER

Community Benefits:

- A guided path from Pre-K through Career
- ~~Vibrant economy~~
Economic Development
- ~~Attract, train, and retain local workforce~~
- Healthy families
- *JOB CREATION & JOB RETENTION*
- Collaboration reduces marketing budgets
- Enables education entities to focus on curriculum & programs

The FOCUS:

- Simply informing the community that the resource EXISTS. They don't have to remember where they saw or heard about an education opportunity when the need to pursue it arrives. They just need to go to the portal and/or Education Information Center for comprehensive information on all types of education, funding avenues and options.

Dozens of endorsements including:

Jobs Plus, North Idaho College/WorkForce Training Center, City of Coeur d'Alene Mayor, The Coeur d'Alene Chamber of Commerce, University of Idaho, Hayden Chamber of Commerce, NICHE and more.
